EXTERNAL EMAIL – USE CAUTION / COURRIEL EXTERNE – FAITES PREUVE DE PRUDENCE

Hi Doctor,

I found the tweet and answered it to clarify the misunderstanding. The author thanked me for the clarification. There is a reporter in that thread and I placed a clarification there as well. Hopefully, that puts an end to it. The cattle mover is [REDACTED] and you know he would not do that either and I sure would not say anything bad about him! Sorry for the trouble. Let me know if it doesn't end.

Hi Jim

I appreciate the call and conversation.

I have received several phone calls from concerned citizens about the mis information at the link attached that is circulating on social media.

Mayor supposedly told CTV that were about seeing four cattle trucks stuck at the border - <https://twitter.com/RassaSamimi/status/1488871351956000768>

I hope this is settled soon.

Regards
